**TO:** See Distribution

**SUBJECT:** Framework Agreement for Cooperation between IAMD COE and Technical University of Crete School of Production Engineering and Management Turbomachines and Fluid Dynamics Laboratory (TurboLab – TUC)

**No:** 4

**ENCLOSURES:** One (1) Framework Agreement for Cooperation

**PURPOSE:** To inform the SC about the future signing of a Framework Agreement for Cooperation between the IAMD COE and TUC-TurboLab .

**BACKGROUND:**

1. IAMD COE according to it's Concept, seeks opportunities to establish and maintain supportive relationships with external entities such as academia.
2. For that purpose the Centre has made preparatory discussion for possible areas of collaborations with representatives of TUC-TurboLab.

**ANALYSIS & STATUS:**

1. A preparatory meeting between the Director of TurboLab-TUC and representatives of the IAMD COE was held on 3<sup>rd</sup> of February 2021. During the meeting, TUC TurboLab Director presented the activities of his Department and the participants discussed the possibility of further collaboration in the area of C-UAS.
2. Based on the above, IAMD COE has prepared and submitted, as enclosure, the Framework Agreement for Cooperation.
3. With respect to the operational and security regulations as well as the availability of resources of each Participant, the following modes of cooperation will be encouraged:

- Exchange of experts for participation in lectures, conferences, workshops, panel discussions and other educational and academic activities;
- Exchange of publications, teaching materials and other non-classified information, in fields of common interest;
- Development of joint educational and research programs and activities, and/or assisting the further development of existing educational capabilities through exchange of expertise;
- Any other form of cooperation that may be jointly decided upon by the Participants.

FINANCIAL  
CONSIDERATIONS  
& FUNDING:

No financial obligations arise from the aforementioned issues. Any future financial obligations will be a subject of approval by SC.

RECOMMENDATIONS  
& DECISION:

No Decision needed by SC members .

Members are requested to consider and note the Framework Agreement for Cooperation between IAMD COE and the Technical University of Crete School of Production Engineering and Management Turbomachines and Fluid Dynamics Laboratory (TurboLab – TUC).

FOR THE IAMD COE:

Col (OF-5) Evangelos Tzikas GRC (AF)  
IAMD COE Director
