SUBJECT: **NATO SBAMD COMMON EDUCATION & TRAINING PROGRAM (CET-P)**

No: **10.a**

PURPOSE: To inform the SC about the intention of IAMDCOE to participate in the NATO SBAMD CET-P.

BACKGROUND: NATO continues to face many SBAMD challenges and a huge increase in interest about the status of SBAMD integration into NATO C2 and ways in which to improve the situation, is noticed. A wide variety of different initiatives are ongoing to gain improvements in one of NATO's major challenges; the integration and connectivity between national SBAMD forces, national CRC's and NATO C2 entities.

Beside the technical challenges, we are also facing the issue of a lack of common understanding and execution of NATO IAMDCOE Tactics, Techniques, and Procedures (TTPs) – national embedded procedures are often not in line with NATO requirements. The lack of a common understanding about the requirements and the use of NATO standards hampers the conduct of multinational training and exercises and has a subsequent negative effect on mission execution of a NATO IAMDCOE Task Force.

ANALYSIS &
STATUS:

Following the Minutes of Meeting of RALY CDC (as ref. B), CAOC UEDEM is proposing to AIRCOM the initiative to establish a SBAMD CET-P. Furthermore, IAMD Discipline Strategic Training Plan (STP) is under development and is planned to be released by the end of July this year. This will lead into the establishment of WGs in order to provide IAMD ETEE solutions. Finally, the proposed date for the first meeting of the CET-P WG is 08 Jun 21, in the context of the RALY IPC (9-10 June 21).

IAMD COE's intention is to participate to the CET-P, as it is considered to be one of the major IAMD stakeholders.

FINANCIAL
CONSIDERATIONS
& FUNDING:

The financial impacts of the aforementioned activities will be covered from the existing budget of Fiscal Year 2021 (and by transferring of appropriations within the authorization granted to the Director in accordance with Financial Administrative Procedures, if required) without the need for a supplementary budget. Any financial obligations for the next years will be foreseen in the budget of the corresponding Fiscal Years.
