SUBJECT: **Directive 40-04 (IAMD COE International Evaluation Report)**

No: **14**

PURPOSE: To inform the SC about the issue of one (1) new Directive and decide/approve accordingly.

BACKGROUND: According to Ref 2, ACT has issued a Directive regarding the International Evaluation Report Program for the assigned personnel. Till today IAMD COE has not issued such a Directive.

ANALYSIS & STATUS: The success of IER Program within IAMD COE will be incumbent upon the timely and accurate submission of IERs, and in turn directly influences military personnel's professional performance for future assignments, promotions and special activities.
Additionally, the program proactively will monitor, manage, execute report due dates, update changes and promote active communication between Branch heads, Raters/Reviewing Officers, Military Assistants, NLRs, and the Military Personnel Section (MPS).
Therefore, it is deemed necessary to create a new IAMD COE Directive of International Evaluation Report, which directly influences IAMD COE personnel's performance for future assignments, executes and activities.

FINANCIAL CONSIDERATIONS & FUNDING: No financial obligations arise from the aforementioned issue.
