NATO UNCLASSIFIED  
RELEASABLE FOR INTERNET TRANSMISSION**1. Statement of Work (SOW)**

1.1 The current Statement of Work (SOW) covers the general requirements and technical specifications that shall be covered by the Contractor for the services requested.

**2. General Requirements**

2.1 The requested services include rental, installation and dismantling (collecting) of heavy-duty awnings at NATO Maritime Interdiction Operational Training Centre (NMIOTC) outdoor premises (NMIOTC location - Souda Bay, 73200, Chania, Crete, Greece).

**3. Technical Requirements/Specifications - Deliverables****3.1 Awnings:**

3.1.1 Coverage for two hundred and fifty square meters (250 m<sup>2</sup>) approximately [surface area for 12-13 circular tables (10 people per table) and buffet-coffee table];

3.1.2 The largest dimension of the awning in height shall be between four and a half (4,5) and five (5) metres. The short dimension of the height shall not be less than two (2) metres;

3.1.3 Capability to open (retract the dividers, if any) from all [four (4)] sides of the awnings;

3.1.4 The awnings' support frame must be made of durable metal (duraluminium or steel) and the covering material must be 100% PVC plastic, white in colour, 100% waterproof, fire-resistant, with UV protection film (solar and heat repulsion) and wind resistance of at least 20 m/s (with all side parts closed);

3.1.5 Installation on ground with a slope of 1 to 2%. Any holes that will be opened or other changes made to the awnings installation site shall be repaired immediately after their removal, at the sole responsibility, care and expense of the Contractor.

**4. Warranty**

4.1 Excellent condition, appearance, cleanliness of all installed equipment (awning and other accessories), for hosting a high-level event for the presence of top foreign and national political and military authorities constitute prerequisites.

**5. Delivery - Shipping Costs**

5.1 Under the Contractor's responsibility, the requested awnings shall be installed/dismantled at/from the NMIOTC premises without any additional charges for the Centre. Any delivery charges should be incorporated in the price proposal.

## 6. Delivery Time - Deadline

6.1 Awnings requested shall be installed not later than 12 June 2023, remaining, at the disposal of the Centre, until at least 17:30 (local time) on 14 June 2023 (operational use from 13 June 2023 - 07:00 to 14 June 2023 - 17:30). From this time onwards the awnings may be uninstalled at the discretion of the Contractor in coordination with the IAMD COE.

6.2 If the Contractor fails to deliver the requested items within the time specified above, he may pay the IAMD COE (after a documented decision of the Director) liquidated damages of the respective services based on the provisions and considering any exemptions according to the Article 218 of Hellenic Law No 4412/2016, and par. 14 of Part II of this IFB.
